Filter PubMed to View Articles Available at IWU

**Step 1:** Create a personal account at https://www.ncbi.nlm.nih.gov/account/register. Once completed, you will be automatically redirected to your My NCBI settings page.

**Step 2:** Choose “Add a filter” to PubMed in the lower right portion of your screen.

Step 2 Image: Filters for PubMed

Search for Indiana Wesleyan under the “Linkout” category.

Step 2 Image: Browse/Search for PubMed Filters

Place a checkmark in the Filter and Icon boxes and your new filters should appear in the filter list.

Step 2 Image: Your PubMed filter list

**Step 3:** When signed in to PubMed, you can now filter results in the right facet to only those available at IWU.

Step 3 Image: Filter your results

**Step 4:** Open any article record and click to find the full text of the article at IWU.
